He is an Alabai, a traditional Turkmen dog which is renowned as a beautiful and courageous animal that for many centuries has helped Turkmen shepherds to safeguard flocks of cattle in heavy conditions in the sandy desert. Today the Alabai is treasured by the Turkmen people not only as a courageous protector, but also as a loyal friend. Wepaly wears traditional ceremonial dress and a white telpek fur hat while waving the State Flag of Turkmenistan and the symbol of the Olympic Council of Asia.

2. Accreditation and Validation

The Asian Indoor and Martial Arts Identity and Accreditation Card (AIMAGIAC) is both a visa-waiver document for entry into Turkmenistan for the 5th AIMAG and an identity and access device for access into Games venues.

AIMAGIACs will be distributed to all eligible Games participants via IFs/AFs (Technical Delegates and federation staff), NOCs (athletes and team officials), or the Ashgabat 2017 Executive Committee Sport Team (Technical Officials). The cards will be distributed in the form of a Pre-Valid Card (PVC) which must be validated at an official Games Accreditation location prior to being used to access Games venues.

For updates on the status of applications, please contact the IF/AF or NOC that is responsible for your application. Please also contact the relevant responsible organization if you do not receive your PVC before the end of August 2017.

PVCs should be carried with the passport during travel to Turkmenistan – participants may need to show the PVC to airline check-in or border control officials during departure or transit to prove eligibility to enter Turkmenistan. The PVC is a visa waiver document for entry into Turkmenistan between 18 August and 12 October 2017 – participants in possession of a PVC do not need to apply for a separate entry visa for Turkmenistan during this period. The PVC however does not act as a transit visa for any country – participants are required to make their own arrangements for transit visas where required.

Upon arrival into Turkmenistan, the Accreditation Card should be presented with the passport to the border control officials. The passport must be the same as the information submitted as part of the application for accreditation, and it must be valid until at least 28 December 2017.

Validation of the PVC

PVCs must be validated at an official Games Accreditation location before accessing Games venues. Each participant must attend in person with their passport to complete the process.

There will be Accreditation Validation Counters at Ashgabat International Airport (ASB) from 1 September 2017 – all participants arriving into Turkmenistan through ASB are required to complete the validation process at the airport before proceeding to their accommodation.

11. Protests and Appeals Protests

No protest may be lodged at the end of a match. Under no circumstances may the result of a match be modified after victory has been declared on the mat.

If the UWW President or the responsible person for refereeing notes that the refereeing body have abused their power to modify a match result, they can examine the video and, with the agreement of the UWW Bureau, sanction those responsible as laid down in the provisions of the Regulations for International Refereeing Body.

Challenge

The challenge is the action through which the coach is allowed, on behalf of the wrestler, to stop the action and request the jury of appeal and the refereeing body to watch the video evidence in case of a disagreement with the call.

The coach must request the challenge by throwing a soft object on the mat, immediately after the refereeing body has awarded or failed to award points to the contested situation. If the wrestler disagrees with the coach's decision, the sponge is returned and the match continues.

* Any athlete/NOC can appeal to CAS, in case he/she feels that there is a violation of IF/AF Technical Rules or OCA Constitution which is not related to reversing decision of the referee or result.

12. Equipment and Clothing

Mat Manufacturer: Taishan

Equipment used and clothing worn by athletes and other relevant participants in competition must comply with the rules and regulations of the OCA and UWW in force at that time.

Neither athletes nor technical officials can attach any form of commercial advertising to his or her competition uniform without prior agreement with OCA and 5th AIMAG EC.

Two test scales are available at The Main Indoor Arena and two at Village Plaza in the Athletes Weigh-in Waiting Room on basement 1 (B1).

Team Managers will be required to deliver athletes uniforms for backpatch sewing on arrival at the Athletes Village. Uniforms can be delivered to the Sewing Room located on Basement 1 (B1) at Village Plaza between 8am – 12pm and collected on the same day between 2 – 8pm.

13. Doping Control

The 5th Asian Indoor and Martial Arts Games will include a full anti-doping program. The anti-doping program will be run in accordance with the WADA International Standard for Testing and Investigation and following the Olympic Council of Asia Anti-Doping Rules. The program will include pre-competition and in-competition urine and blood testing. Athletes who wish to use a Prohibited Substance or a Prohibited Method in connection with the event and do not already have a Therapeutic Use Exemption (TUE) should apply to OCA TUE Committee (OCA TUEC) by 06 August 2017.

Where the athlete already has a TUE granted by his or her National Anti-Doping Organization or International Federation, he/she should apply to the OCA TUEC for recognition of that TUE.

14. Medal Ceremony

Gold, Silver and two Bronze medals will be awarded to the athletes ranked top three (two third places) of each event. Medallists must wear their NOC official uniforms.

15. Media Interview

Athletes and officials may take part in media interviews at various times throughout the Games. For athletes, this may take place in the mixed zone or at media conferences. Additional media interviews may take place, but these are generally arranged through the teams.

All athletes must pass through the mixed zone but are not obligated to provide interviews.

16. Sport Information Center

The Sport Information Centre (SIC) will be located on the second floor of the Village Plaza. Staff at the SIC will work closely with competition management to distribute key information on all 21 sports, including:

- General sport information through sport publications and discussions with sport specific staff.
- Distribution of draw/start lists, results and other competition information, including schedule updates.
- Sport training schedule information and, for selected sports, assistance with booking and changing training sessions.
- Communication with Sport Information Desks (SID) at all competition venues.

The SIC will operate with the following opening hours:

Dates	Hours of Operation
7-11 September	8am-8pm
12-27 September	7am-11pm

**A night duty call service will ensure NOC Services staff is reachable also when the facility is closed .*

17. Athlete Catering

Meal vouchers must be paid for in cash or card at the Finance Desk; the cost of each voucher is TMT70. The vouchers are nonrefundable but are not date-specific, and can be purchased in advance. Meal vouchers can only be used in the Main Dining Hall and are valid for one meal only.

The Main Dining Hall is located in the center of the Athletes Village and is accessible from the Village Square.

The Athletes Lounge will offer a selection of refreshments and beverages throughout the day. A hot lunch will be provided in the Athletes Lounge for those Athletes competing in the finals session. Meal vouchers will be distributed from the Sport Information Office at the competition venue (Main Indoor Arena) at the completion of the morning session. Athletes not competing in the evening session can receive meals from The Main Dining Hall at the Athletes Village and won't be catered for on venue.

18. Athlete Training

Athlete training will be available for all participating Traditional Wrestling, Belt Wrestling, Wrestling and Sambo athletes from the 12th to 25th September. The training venue will open at 09:00 and close at 21:00 hrs. Training will take place at the Turkmenistan Medical University. Shuttles will run from the Athlete Village to the training venue. There will be medical staff on hand as needed, athlete changing rooms will be available as well as water for hydration.

19. Athlete Familiarization

The familiarization will take place in MIA (Main Indoor Arena) on the 15th September, 2017. We would request that you book your tour at the Sports Information Center. Tours will start at 15:00 and will finish at 18:00.

20. Athletes Transport System

The TA system will provide transport services for athletes and team officials, and their personal equipment, from 12–27 September.

20.1 The TA system comprises the following services:

- Arrival and departure services from ASB, railway station and domestic bus station to the Athletes Village.
- Transport between the Athletes Village and official competition venues will be provided as "bubble-to-bubble"; transport to training venues will require athletes and team officials to be screened when returning to the AOC (a summary of each service is provided later in this section).

TA system vehicles (buses and mini buses) will vary in size, seating capacity and model. Mini buses will be allocated for smaller numbers of athletes moving to a designated venue. TA buses are equipped with a tracking system which will allow Ashgabat 2017 to monitor their movements. Athletes and team officials should note that venues within the AOC are within walking distance of the Athletes Village. If transport is required, Ashgabat 2017 strongly encourages athletes and team officials to use the TA system. All schedules will be available at the Welcome Centre and at the SIDs.

20.2 Training Venues

Services have been planned according to the training schedules of each sport. The transport service to training venues will start on 12th September and continue until the end of each sport's training period.

There will be two types of service depending on sport, competition and training schedules:

- Training Venues in AOC: departing to/from Athletes Village/Training Venue as part of the Loop Road operation.
- Training Venues outside of AOC: scheduled service from the Athletes Transport Mall to the specific training venue.

20.3 Competition Venues

On competition days, the TA service will be scheduled so that the first bus arrives at the competition venue one and a half hours prior to the start of the first competition on that day. All transport will depart from the Athletes Transport Mall. For all venues within the AOC, service will run in a loop with a 15 minute frequency. For the Multifunctional Sport Venue, team buses will be available on a bookable basis, as detailed in the next section.

20.4 Monorail

The AOC and the Athletes Village are also serviced by a Monorail, that will operate from 12–27 September from 9am–9pm.

The Monorail has seven stops, five of which are located in the AOC Common Domain and one in the Village Plaza. Village residents will have unlimited access to the service, as well as guest passholders. Media (excluding official Media Tours) will not have access to the Monorail. Accreditation will be checked prior to accessing the service.

20.5 Public Transport

Delegation members will not have any access to public transport by virtue of their accreditation. Considering the proximity of venues within the AOC and the services provided, Ashgabat 2017 does not envision the need for use of public transport. Access to public transport is on a user-pay basis.

20.6 Taxis

No taxi drop-off/pick-up areas will be available at competition or training venues. Ashgabat 2017 recommends the use of licensed taxis, which can easily be identified by yellow license plates and a taxi sign on the vehicle.
