## **Message from the Secretary-General**

On behalf of the Phuket Asian Beach Games Organizing Committee (PABGOC), it is an honor for me to welcome you to the 4th Asian Beach Games to be held from November 14 to 23, 2014, in Phuket, Thailand.

Each edition is a testament that the Olympic Council of Asia, together with the Host Cities, have planned and worked hard to make the Asian Beach Games what it is right now – an exemplary Games platform across continents that mixes the elements of fun and intense competition. The fourth edition is bigger and better – a total of 32 disciplines in 23 Sports – which raises the bar for more individuals, teams and delegates to take part in the Asian Beach Games.

PABGOC is more than eager to welcome all participants to the pristine beaches of Phuket. The event definitely promises a perfect setting for the high-level of competition with a magnificent view of the island as the main backdrop.

Our Sports Technical Committee has prepared this Technical Handbook to set the guidelines and regulations pertaining to the sports competition program for the 4th Asian Beach Games. This handbook will serve as a guide to all participants of the fourth edition of the Asian Beach Games that covers the pertinent information about the Games and the technical aspect for each sport.

We wish everyone a productive endeavor in preparation for the 4th Asian Beach Games.

## Quick Facts about Phuket

### **Introduction to Phuket**

Phuket is an island connected by bridges to southern Thailand's Andaman Sea coast, in the Indian Ocean, lying between 7°45" and 8°15" north latitude, and from 98°15" to 98°40" west longitude on the map. Phuket, Thailand's largest islands, is surrounded by 32 smaller islands that form part of the same administration, with a total area of 570 square kilometers. Measured at its widest point, Phuket is 21.3 kilometers; at its longest, 48.7 kilometers.

Phuket's weather conditions are dominated by monsoon winds that blow year round. It is therefore always warm and humid. There are two distinct seasons, rainy and dry. The rainy season begins in May and lasts till October, during which the monsoon blows from the southwest. The dry season is from November through April, when the monsoon comes from the northeast.

### **Transportation / Getting Here**

Phuket Airport is now an international airport, so Phuket can be reached directly from points all over the world.

Bangkok Airways and Phuket Air have daily flights connecting Phuket with Bangkok, Pattaya and Samui. Thai Airways has numerous daily flights servicing the Bangkok-Phuket route. In addition, they have regular flights connecting Phuket with Hat Yai, Surat Thani, and Narathiwat.

From Bangkok the total distance is about 867 kms. Bus transport includes both air and non-air conditioned coaches leaving from Bangkok's Southern Bus Terminal several times a day.

### **Recreation**

Phuket offers an unrivalled selection of water sports, including deep-sea fishing, snorkeling and scuba diving. The area has become one of Asia's premier yachting destinations with yachts from every continent represented in Phuket's marinas.

There are four world-class golf courses on the island. Other activities include mountain biking, go carting, bungee jumping, horseback riding and shooting.

Spend a morning indulging in your favorite water sport, and then spend your afternoon on an elephant safari. Lie by the beach all day, or visit a spa and get thoroughly pampered. Choose to do nothing or everything - the opportunities are endless.

### **Attractions**

Phuket is incredibly diverse, with rocky and sandy beaches, tall cliffs, forests, waterfalls and temples.

Of course, Phuket's limestone cliffs and palm-fringed tropical beaches are its biggest attractions. Each of Phuket's many beaches has a character and charm of its own and is separated from its neighbors by picturesque headlands. From busy fun beaches, to secluded coves of fine white sand, there is bound to be at least one to suit the mood and mindset of every visitor to the island.

Visitors to Phuket Province generally head for the sea, but the interior is worth exploring for its vivid patchwork of plantations and rice paddies. Take a trek into the island's jungles on an elephant's back or hike through the virgin forests of Khao Phra Thaew, the last remaining rain forest of the island.

## Nightlife Shopping & Dining

Phuket offers so much for everyone. Walk through some bustling open-air markets laden with the freshest seafood, fruits, vegetables, and sample from vendors selling all manner of tasty treats. Visit some of Phuket's up market boutiques and antique stores situated in renovated Chinese shop houses, or Sino-Portuguese buildings.

Not only do most of the major hotels and resorts offer a wide selection of quality international restaurants and bars, featuring cabaret shows and live music, but every tourist centre has numerous other entertainment venues. Patong is undoubtedly the epicenter of the island's entertainment scene, boasting a wealth of bars, clubs, live music, and cabaret shows, yet there is still plenty to discover around the island, with Kata/Karon and Phuket town offering such a diverse range of clubs and nightspots that it's difficult to know where to start.

## Weather and Climate of Phuket

Phuket has a tropical climate, more specifically a tropical monsoon climate, with a dry season from November to April and a rainy season from May to October. Average temperatures are consistent year-round. Average highs range from 29 °C (84 °F) to 33 °C (91 °F); average lows range from 23 °C (73 °F) to 26 °C (79 °F).

## PHUKET 2014 Thailand

The emblem of the 4<sup>th</sup> Asian Beach Games was driven by Phuket's very own beauty and by one of Phuket's most mesmerizing sceneries of Laem Promthep with such beauty that Phuket possesses, Phuket is also widely recognized as the Pearl of the Andaman and the Southern Paradise" where athletes, spectators and tourists could enjoy watching the ongoing game while at the same time allowing themselves to serenely sink into the spell-binding beauty of Phuket beaches and sceneries. The two palm trees standing side by side represents the coming together of athletes and of all participants from different nations and races, to unite and to participate together in the 4<sup>th</sup> Asian Beach Games.

As for the middle, the Asian Beach Games is the center of this beautiful bonding between the races in which the athletes represents. The ocean waves tinted in the color of the Thai flag symbolizes the qualities in which Thailand possesses; the Thai flag swirling could be understood as a representation of the determination of the athletes in participating in the competition.

"Sea turtle" is a symbol of endurance fertility, sustainability and growth. As Phuket is a home to many rare species of sea turtle, it is a chance to announce to the participants of the 4th Asian Beach Games and also to the public that Thailand pays great attention and an important role to the conservation of sea turtle.

As sea turtle are amphibious creatures, living both on land and in the sea, the 4th Asian Beach Games will have both beach sports and water sports which at the same time is an excellent symbol of the relationships of the different countries in Asia..

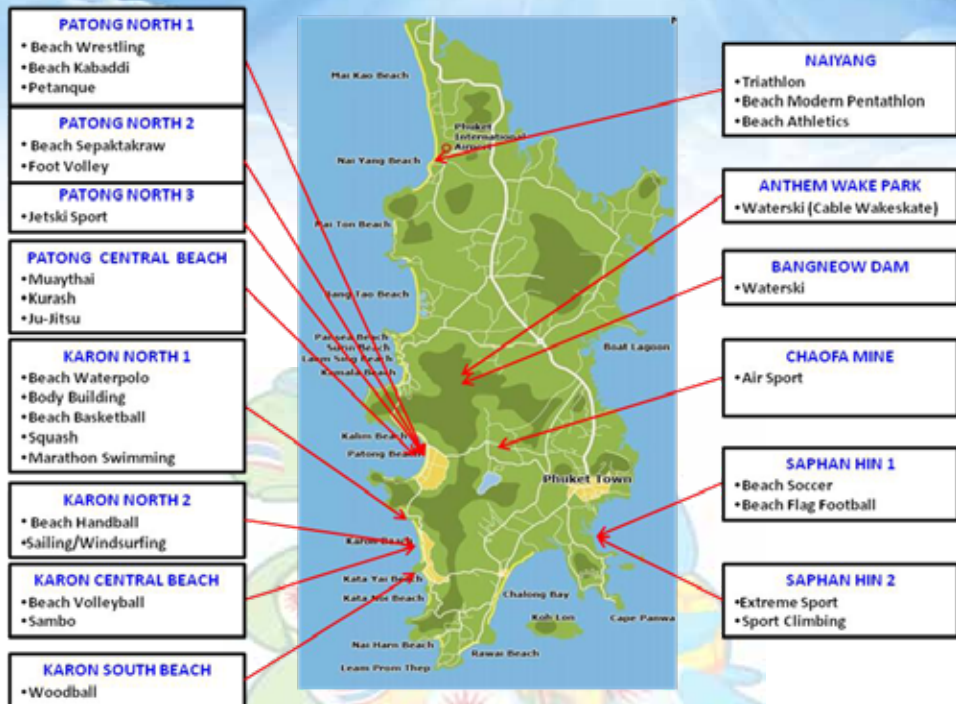

The name Sintu (สินธุ์), Sakorn (สาคร), Samut (สมุทร) shares the same meaning of water. Could be metaphorically be compared to the qualities of athletes which includes the qualities such as tolerance, tranquility, unity, acceptance, sportsmanship and friendship.
