He is an Alabai, a traditional Turkmen dog which is renowned as a beautiful and courageous animal that for many centuries has helped Turkmen shepherds to safeguard flocks of cattle in heavy conditions in the sandy desert. Today the Alabai is treasured by the Turkmen people not only as a courageous protector, but also as a loyal friend. Wepaly wears traditional ceremonial dress and a white telpek fur hat while waving the State Flag of Turkmenistan and the symbol of the Olympic Council of Asia.

2. Accreditation and Validation

The Asian Indoor and Martial Arts Identity and Accreditation Card (AIMAGIAC) is both a visa-waiver document for entry into Turkmenistan for the 5th AIMAG and an identity and access device for access into Games venues.

AIMAGIACs will be distributed to all eligible Games participants via IFs/AFs (Technical Delegates and federation staff), NOCs (athletes and team officials), or the Ashgabat 2017 Executive Committee Sport Team (Technical Officials). The cards will be distributed in the form of a Pre-Valid Card (PVC) which must be validated at an official Games Accreditation location prior to being used to access Games venues.

For updates on the status of applications, please contact the IF/AF or NOC that is responsible for your application. Please also contact the relevant responsible organization if you do not receive your PVC before the end of August 2017.

PVCs should be carried with the passport during travel to Turkmenistan – participants may need to show the PVC to airline check-in or border control officials during departure or transit to prove eligibility to enter Turkmenistan. The PVC is a visa waiver document for entry into Turkmenistan between 18 August and 12 October 2017 – participants in possession of a PVC do not need to apply for a separate entry visa for Turkmenistan during this period. The PVC however does not act as a transit visa for any country – participants are required to make their own arrangements for transit visas where required.

Upon arrival into Turkmenistan, the Accreditation Card should be presented with the passport to the border control officials. The passport must be the same as the information submitted as part of the application for accreditation, and it must be valid until at least 28 December 2017.

Validation of the PVC

PVCs must be validated at an official Games Accreditation location before accessing Games venues. Each participant must attend in person with their passport to complete the process.

There will be Accreditation Validation Counters at Ashgabat International Airport (ASB) from 1 September 2017 – all participants arriving into Turkmenistan through ASB are required to complete the validation process at the airport before proceeding to their accommodation.

15. Media Interviews

Athletes and officials may take part in media interviews at various times throughout the Games. For athletes, this may take place in the mixed zone or at media conferences. Additional media interviews may take place, but these are generally arranged through the teams.

All athletes must pass through the mixed zone but are not obligated to provide interviews.

16. Sport Information

The major distribution point for Sports Information is the Sport Information Center (SIC) at the Village Plaza in the Athletes' Village which provides clients with information relating specifically to training and competition for each of the 21 sports. The role of the Sport Information Center is to help the Sport Competition Management team communicate generic Games and Sport specific competition information to Chefs de Missions, Deputy Chef de Missions, and Team officials.
