## 2. Accreditation and Validation

The Asian Indoor and Martial Arts Identity and Accreditation Card (AIMAGIAC) is both a visa-waiver document for entry into Turkmenistan for the 5<sup>th</sup> AIMAG and an identity and access device for access into Games venues.

AIMAGIACs will be distributed to all eligible Games participants via IFs/AFs (Technical Delegates and federation staff), NOCs (athletes and team officials), or the Ashgabat 2017 Executive Committee Sport Team (Technical Officials). The cards will be distributed in the form of a Pre-Valid Card (PVC) which must be validated at an official Games Accreditation location prior to being used to access Games venues.

For updates on the status of applications, please contact the IF/AF or NOC that is responsible for your application. Please also contact the relevant responsible organization if you do not receive your PVC before the end of August 2017.

PVCs should be carried with the passport during travel to Turkmenistan – participants may need to show the PVC to airline check-in or border control officials during departure or transit to prove eligibility to enter Turkmenistan. The PVC is a visa waiver document for entry into Turkmenistan between 18 August and 12 October 2017 – participants in possession of a PVC do not need to apply for a separate entry visa for Turkmenistan during this period. The PVC however does not act as a transit visa for any country – participants are required to make their own arrangements for transit visas where required.

Upon arrival into Turkmenistan, the Accreditation Card should be presented with the passport to the border control officials. The passport must be the same as the information submitted as part of the application for accreditation, and it must be valid until at least 28 December 2017.

**Validation of the PVC**

PVCs must be validated at an official Games Accreditation location before accessing Games venues. Each participant must attend in person with their passport to complete the process.

There will be Accreditation Validation Counters at Ashgabat International Airport (ASB) from 1 September 2017 – all participants arriving into Turkmenistan through ASB are required to complete the validation process at the airport before proceeding to their accommodation.

**3. Accreditation Locations and Services**

**Lost, Stolen and Damaged PVCs and AIMAGIACs**

If your PVC is lost prior to departure for Turkmenistan, is lost in transit or is damaged, please contact your IF/AF or NOC in the first instance. They will communicate with the 5<sup>th</sup> AIMAG Executive Committee to discuss options.

If your AIMAGIAC is damaged in such a way that the photograph, name or access codes are not easily read, or if the barcode area is damaged so that it will not scan at the access control points, please report to any Accreditation Centre where a replacement card will be issued.

6.4 Individual Final (145cm), speed 375 m/min, not against the clock.

The Individual Final Competition is limited to the Twenty (20) best placed athletes, including those placed equal for the 20th place, according to the total penalties incurred in the Team Competition Round 1, Team Competition Round 2 and the 3rd Individual Qualifier. A maximum of two (2) athletes per NOC are allowed to participate in the Individual Final. This will be based on the two combined best results from each NOC from the 3 Individual Qualifying Rounds. In case of a tie for the second place for any NOC the Chef d’Equipe will decide which athlete will take part in the Individual Final.

All athletes start with zero penalties in the Individual Final.

The individual Final will be judge under Table A Against the Clock. The final classification for the Jumping Individual Final Competition will be decided by adding together the penalties incurred in the Individual Final

The athlete with the lowest penalties will be declared the winner, and so on. In the event of equality of penalties for the first, second or third medal placing, there will be a jump-off against the clock. The total penalties and time in the jump-off will decide the medal placing. In case of more than one jump-off is required, the jump-off for the 3rd place takes place prior to the jump-off for the 1st and 2nd place.

Starting order

b

The starting order for the Individual Final competition will follow the reverse order of penalties incurred in the two rounds of the Team competition (excluding the penalties in the jump-off) and in the 3<sup>rd</sup> Individual Qualifier. Those with equality of penalties retain the same starting order as in the 3<sup>rd</sup> Individual Qualifier. The athlete with the most penalties will start first, the athlete with the least penalties will start last.

## 18. Miscellaneous

### 18.1 INSURANCES AND NATIONAL REQUIREMENTS

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

### 18.2 ATHLETES, OWNERS AND SUPPORT PERSONNEL

#### 18.2.1. Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

#### 18.2.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

### 18.3. ATHLETES AND OWNERS

#### 18.3.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

#### 18.3.2. Additional Liability Information

It is a condition of entry that all athletes (horses & riders) are adequately insured for third party liability.

#### 18.3.3. Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event. It is a condition of entry that all athletes (horses & riders) are adequately insured for third party liability.

## 19. STEWARDING

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. [Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.] If an athlete or his/her groom refuses to remove and re-place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.

## 20. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

## 21. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

## 22. Sport Information Center

The major distribution point for Sports Information is the Sport Information Center (SIC) at the Village Plaza in the Athletes' Village which provides clients with information relating specifically to training and competition for each of the 21 sports. The role of the Sport Information Center is to help the Sport Competition Management team communicate generic Games and Sport specific competition information to Chefs de Missions, Deputy Chef de Missions, and Team officials.
