OLYMPIC COUNCIL OF ASIA

6. The Board unanimously approved the proposal of Dr. Norza Zakaria, Vice President OCA to develop and propose a criterion for the election of the IOC Members from Asia which should include: -

- i) The IOC Member from Asia should be an individual who is actively involved in and contributing meaningfully to the Olympic Movement within his/her respective NOC, country and the Asia. Their engagement at the national level should be evident through tangible efforts in the promotion of Olympism and the development of sport.
- ii) The IOC Member from Asia should be someone who permanently resides in his/her home country, in order to remain closely connected with the national and local sporting community and to effectively, efficiently and positively represent the interests and aspirations of their country and the NOC.
- iii) The IOC Member from Asia should possess a proven track record in sport and the Olympic Movement either as a former athlete or as a respected leader within a NOC or an IF or in the Asian Continent. This background ensures that the individual brings both experience and credibility to the role of the IOC.
- iv) In addition to national involvement, the IOC Members should also be actively contributing to the Olympic Movement at the continental level i.e. the OCA or Asian Federations (AFs). Their influence should extend beyond their home country, reinforcing Asia's collective role within the global Olympic family.

7. The Board also wished Raja Randhir Singh a speedy recovery asked Director General & Dy. Director General OCA to convey their best wishes to him and the family.
