The Organizing Committee must prepare at the training and competition venue Catering (meals, snacks, water, ice and refreshments).

13. Communication

The Organizing Committee is responsible for ensuring that free Wi-Fi is available at both competition venues and non-competition venues, facilitating seamless connectivity for all participants. The Organizing committee must ensure that the Wi-Fi infrastructure is robust and secure. By providing free Wi-Fi, the Organizing Committee enhances the overall experience for all stakeholders, fostering a connected and efficient environment throughout the event.

14. Game Main Press Centre (MPC) and /International Broadcasting Centre (IBC)

The Organizing Committee is responsible for establishing a fully equipped Main Press Centre (MPC) and International Broadcasting Centre (IBC) for the Games, which are crucial for media coverage and broadcasting operations. The MPC will serve as the central hub for journalists, providing necessary facilities such as workstations, high-speed internet access, meeting rooms, and technical support to ensure seamless reporting. It will also include areas for press conferences, interviews, media briefings, and Catering area.

The IBC is designed to accommodate international broadcasters, offering advanced technical infrastructure and equipment to facilitate live coverage of the event. This includes dedicated broadcast studios, transmission facilities, and logistical support to ensure high-quality content delivery to audiences worldwide.

Both centers must be strategically located near key venues for easy access and equipped with all necessary resources to support the needs of the media and broadcasting teams. By providing these essential services, the Organizing Committee aims to ensure comprehensive media representation and enhance the visibility of the Games on a global scale.

15. Game Security

The Organizing Committee is responsible for overseeing all aspects of security for the Games, ensuring a safe environment for all participants. This involves developing and implementing a comprehensive security plan that includes risk assessments, crowd management strategies, and coordination with local law enforcement and security agencies. The committee must ensure that security personnel are adequately trained and deployed across all venues, entrances, and key areas to prevent potential threats and respond swiftly to any incidents.

16. Game Ceremonies and Protocol
